**Presentations**

**Bring Vancouver Home**

Katie Archer, [katie@archerpublicaffairs.net](mailto:katie@archerpublicaffairs.net)

The presentation covered all of the features of the November Levy, Proposition 1, to build and preserve affordable housing. The passage of the levy will bring 6M on line for 7 years. This is the most direct and immediate way to add affordable housing in our community. Every single penny has to be used for building housing that helps the demographic of the population with an income less than 50% of the AMI.

Investment would directly provide the following:

- Serve over 2,300 families and could be closer to 6500
- assist many more people by leveraging funds with other funding sources
- hold rental units as affordable for minimum of 20 years

How you can help:

- Door Knocking (because it's an education campaign) – every Saturday and Sunday 9:30am and 1:30pm shifts
- Host a presentation with your constituents
- Get out and vote on November 8th

**Molina Health Care**

Ian Parham, [Ian.Parham@molinahealthcare.com](mailto:Ian.Parham@molinahealthcare.com)

**Urgent Care:** (1-844-870-6821) Clients can call in and register and will receive a call back within the 20 minutes to assess their need for urgent care.

**Case Management:** A person can sign in to My Molina OR call and request a case manager and get access to a case manager (complete telephonic) and then in some cases a Community Connectors will be sent out to the client for assessment.
