Closest bus stop: NE Andresen Road/NE Burton Road

A message from our friends at C Tran:

"During extreme heat, C-TRAN will not turn anyone away who is riding to a cooling center. Passengers should tell the operator as they board that they're heading to a cooling center, and fares will not be enforced. We also encourage anyone to plan ahead and stay hydrated if they expect to be out traveling. All C-TRAN buses also have air conditioning."
