

# Homeless System Numbers | 2024

## CLARK COUNTY PARTNERS WORKING TOWARD COMMON GOALS

Collaboration among agencies and organizations serving people experiencing homelessness or risk of homelessness in Clark County is essential to helping individuals and families secure the resources and housing they need. The 44 agencies listed below all enter records of their homelessness-related services and programs into the Homeless Management Information System. **The agencies in bold-face type provide the Transitional Housing, Rapid Re-Housing and Permanent Supportive Housing programs accessed by 568 households in 2024.**
